All of your benefits information on the MyChoice® Mobile App!

This is one app you will definitely want to download to make your life much easier. Here are some of the valuable features the MyChoice Mobile App offers you:

Detailed Views – View a detailed account of your current — and future — medical, dental and vision plans, spending accounts, and voluntary and supplementary benefits.

Manage Your MyChoice® Accounts – View your account balance, request reimbursements, transfer funds and track your transactions.

Hit Deadlines – Stay on top of important deadlines, send and receive important benefits documentation, such as dependent verification and EOI.

Digital ID Cards – Upload and store images of your ID cards for use on the go.

Get Help Fast – Easily contact a Member Services Advocate or our personal benefits assistant, SofiaSM, for general questions about benefits, enrollment, life events, or required documentation through phone, email, or live chat.

You can do all this with a few taps of a finger, plus much more!

1. Log in to your benefits portal at benefitsolver.com
2. To securely access your account on the mobile app, locate your **personalized QR code** that shows on your benefits home page and scan it with your mobile device's camera (focus on the QR code until you see a link pop up).
3. Select the pop-up link from your mobile device screen.
4. You will be directed to download the app and complete your set-up.
5. Follow the instructions within the mobile app to have easy access to your benefits on the go.
