

when it comes to your health,
choice matters.

Access the **Treatment Cost Estimator** using your online account for your PPO plan

We know that cost is an important factor when you're facing
healthcare decisions.

The Treatment Cost Estimator tool can help you have more control over your healthcare costs. You and your family can compare costs for more than 1,600 procedures and treatments between different hospitals and surgical centers. Plus, you can get an idea of how long your treatment time will be.

Creating your online account

If you have not created your online account, it only takes a few minutes. Just go to **blueshieldca.com/register**. You'll need your Blue Shield member ID card number handy and a current email address. You can also download the Blue Shield of California mobile app to access your account on the go.

Once you log in to your online account, you will see the Treatment Cost Estimator tool on your dashboard.

If you need assistance, visit **blueshieldca.com/contact** for technical support.
